

# CROWN ROYAL PLATINUM CLUB: PLAYOFF TICKET POLICY AND ORDER FORM

## Pay as Spits Play Package

This option allows season ticket members to pick up all playoff tickets in advance. This helps avoid ticket lines by eliminating the need to come to the box office multiple times to purchase tickets and saves you money throughout the playoffs. This option is limited to credit card payment only. Season ticket members who choose this option will only be charged as games in each round are guaranteed to be played, eliminating the need for refunds and credit rollovers as in previous seasons.

By submitting the order form below with credit card information and signature, the season ticket member agrees to have their credit card charged for every game played throughout the 2019 playoffs. The card will be charged once a game is guaranteed to be

played. Please note season ticket members may not opt out of any games guaranteed to be played upon choosing this option. Order forms can be submitted to the box office starting Monday, February 11, 2019. The deadline for ordering this package is Monday, March 4, 2019.

## ADDITIONAL PLAYOFF TICKET PURCHASE

All season ticket members who want to purchase additional playoff tickets (outside of their currently owned seats) will have the opportunity to purchase additional seats during the season ticket member on sale period for each game, prior to the public. The Windsor Spitfires reserve the right to refuse this privilege on a game by game basis as deemed necessary.
